List of Comments from Evaluations

- Great facility but cold!

- I would be very interested in Follow up sessions. We need more materials and resources info available to get out to workforce, schools and community.

- The broad spectrum of attendees was superb. This is what we have needed for a long time! GREAT!
- A great idea/ Great day
- Thank You
- I have been to several of these. They are always good- I get energized but I don't see concrete results. It is always good to exchange ideas but we need action. I was very impressed w/the variety of people here- there were a lot of new faces.
- GREAT!
- Excellent event! Wonderful opportunity to meet with individuals from many sectors of the community. Thanks!

- Excellent program, more information than I thought it would be.
- Very, very cold in the facility.
- Having Mr. Otey stand with the windows behind him made it difficult to see him- he was back-lit by the glare. It was very cold in here!!
- Great Speaker!
- Mike Otey really explained the paradigm of abuse/addiction with us well. He “set the stage” for us today. Really appreciated the time spent here today to meet colleagues and think of improving/addressing issues (?) with addiction/drugs/alcohol abuse. It gives me hope to think that in here is the ability to make a positive difference with our youth, parents, and those who tried addictive substances in our community. We can solve the problem by working together and eliminating the stigma of treatment/abuse recovery.
- Second morning session was difficult to focus on.
- Very good presentation--- I gained more insight from the perspective of a parent, than I did as a law enforcement professional.
- Thank you!!
- Great information! Great speaker!
- Excellent speaker, great day...Thanks!

- I had to leave @ 1pm sorry to miss sharing sessions.
- “We just got started- we need to keep it going.”
- Wonderful, different approach.
- Rather than small groups only in afternoon provide more small group time through the day.
- I really enjoyed this. I think it is wonderful to get the community involved in drug awareness.
